Mining Lease ML700004 – Haul Route Access

Baralaba Coal Company Limited (**Company**) (ASX:BCL) is pleased to announce that Mining Lease (ML) Number 700004 has been granted by the Queensland Government.

ML700004 covers an area of land that allows the Company to haul coal from the Baralaba North mine along its preferred access route.

With the granting of ML700004, we understand the Company now has all necessary approvals to restart the Baralaba North mine.

William James Harris
Joint and Several Administrator
